Public Freeway Meeting On July 31

Lemon Grove Review

Vol. 5; No. 47 — LEMON GROVE, CALIFORNIA JULY 16, 1953 — 10¢ Per Copy

A battery of state division of highways bigwigs will conduct a public meeting concerning the new multi-million dollar Lemon Grove freeway, it was announced yesterday by Bob Gauldin, Chamber of Commerce president.

The meeting will be held Friday evening, July 31, at San Miguel auditorium, he stated.

The meeting, under the sponsorship of the Chamber of Commerce, will bring highway commission engineers and right-of-way executives into direct contact with interested Lemon Grove residents.

Many individuals along the planned freeway route have already had contact with the commission but it was during the earlier period of the project. It is hoped that the highway commission representatives will be able to satisfactorily answer many questions route residents have been seeking the answers to.

Already committed to the meeting are Ralph Luckenbach, assistant district engineer and Jack Putzer, representative of the right-of-way department of the state division of highways and, if his schedule permits, E. E. Wallace, director of the district.

At an earlier meeting at the Chamber of Commerce meeting room at which Luckenbach spoke, the crowd became so large that the meeting had to be moved to one of the school buildings.

"Interest is high in the handling of the freeway through Lemon Grove," Gauldin said, "and we expect a capacity crowd but we think the San Miguel auditorium will accommodate everyone who wants to come."

"This is part of a continuing plan of the Chamber of Commerce to bring vital information to interested local residents. The Chamber recognizes its responsibility to home owners as well as to business firms," he stated.

MIL'S MUSINGS

By Richard Milbroc't

REVIEWING AN OLD GAME of scrutinizing theatre marquees for odd sounding picture titles came across this one that one of the drive-in cinemas displayed; Young Bess Remains to Be Seen.

ITEMS SAVED FROM THE WASTE-BASKET DEPT. This gem was scheduled to be printed earlier, but met with the non-understanding rath of the make-up man's scissors. Duty bound to keep our readers informed, we beg to tell you that last year 393,705 miles of spaghetti and macaroni were consumed in the United States. If laid end to end, this amount would encircle the globe 13½ times. Or, another way, a full 7 pounds per person were enjoyed (?) in the U. S. Somebody cheated and ate 14 pounds because I know that I never got my share. Isn't that exciting?

The brave boys of Sheriff Bert and are active in the cigarette market again. Recently in S. D. an Italian Delicatessen operator was hung on a selling-to-juveniles charge and the last we heard she was in the toils of the law for some $300 bail.

A Lemon Grove businessman was picked up on a like charge last week.

Shop owners are liable if a minor under 18 years buys cigarettes, whether it is over the counter or from a machine. Suggestion: If in doubt of the youngster's age—Don't sell 'em!

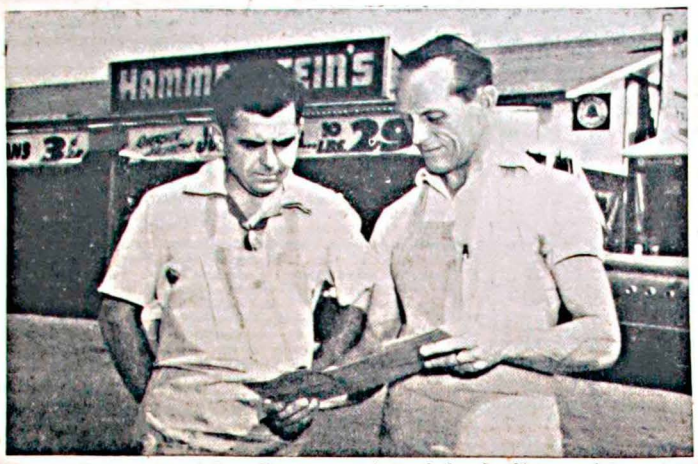
Last week we reported that the dog of W. C. Baxter of Darryl Street brought home a man's shoe size 11½.

Baxter calls to report that the owner of the shoe had been discovered. He is H. L. Graham of 8135 Lincoln.

Not entirely clear is whether Graham read "Musings" and called for the shoe or whether Baxter's dog read the column and

Continued on page 4

Market Pair Plan Expansion



Mel Hammerstein and Owen Sharp - - - - a better deal and a bigger market.

The huge expansion program for Hammerstein's Market was announced this week by Mel Hammerstein and Owen Sharp, partners in the operation of the market.

Hammerstein's is located at Broadway and Massachusetts and the expansion will be along Broadway to the east in an area now occupied by the Rancher's Feed Company.

The Rancher's Feed Company will move to a new building adjacent to Richie's Drive In, a short distance from their present location.

Hammerstein's new market will occupy about five times the present floor space and will be complete in every detail. It will be a ranch type market with emphasis on produce. Sufficient parking space to handle patronage such a store would attract will be available.

Sharp and Hammerstein have operated at the present location for about three years.

Ralph Hunsicker and Arlene White, operators of Rancher's Feed will, simultaneously with the opening of the new Hammerstein Market, open their new new building at 7303 Broadway.

The new building is approximately 35 by 75 and will feature Ace Hi and Larro Feeds. They will also handle fertilizer, poultry and poultry remedies and pet supplies.

It is estimated that the new buildings will be occupied late in August.

Another Incorporation Meeting Set

There will be a meeting of the Greater Lemon Grove Civic Association Monday, July 20th, at 8:00 P. M. at the Women's Club House. A speaker from the Home Rule Association will be present to emphasize the financial aspects of incorporation.

The Civic Association will issue their recommendation on August 3rd; this is to allow all sides of the question to be presented.

'Butchery' Foreseen In Lions Vs. Kiwanis Annual Ball Game

A second annual baseball game between a strong Kiwanis team and the redoubtable Lions is coming up to confuse the community again.

The hassle, which attracts considerable attention each year, ended last year with the Lions routing the Kiwanis team when their hitting, pitching and fielding ship sprang a leak.

Fleet footed Chan Mason pulled a ligament early in the game to give the Lions a decided advantage.

Heavy artillery of the Lions, Bob Von Willer, Paul Louer, Cal Nicholl, Fred Scheneman, Dick Faras and a new recruit from the Borrego Springs sand-lot, Bob Brown, will be in there against the sturdy Kiwanis team.

It is expected that the Kiwanis will use their preacher infield, Reverends Chandler, Apra, Mulkey and Dr. Gigliotti.

Notice of time and place of the game will be revealed as soon as representatives of each club can agree. It should be noted that this agreement is one of few the clubs reach during the year in their "friendly-enemy" service club relationship.

$2,000 Needed By Incorp. Group As Petition Near Completion

Members of the Lemon Grove Home Rule Association are still in the process of circulating the petitions calling for an election in the Lemon Grove area on whether or not the voters desire to incorporate. The petitions, circulated throughout the area for the past eight weeks, require signatures from nearly 1700 property owners who own 25% of the total assesed valuation for the area.

Home rulists expect to wind up the signature drive this month. Simultaneously with the drive for signatures, the Home Rulers are seeking memberships in their Association at $1 per person to help defray the legal fees involved in holding an election. These fees, approximately $2000 must be borne by the parties desiring such an election, the exact cost being set by the Board of Supervisors to whom the petition must be submitted.

A spokesman for the group stated that never before has an area with so many property holders attempted to incorporate in the state of California, and seldom has such an attempt been made when such a large population is concerned. "In view of such facts, the collection of signatures has proceeded far better than expected," he said.

Top Stars To Grace Grove Screen

A galaxy of stars in movie-dom's top hits are scheduled for the remodeled and refurnished Grove Theatre Morgan Ames, Manager, reported this week. Starting with "Salome" starring Rita Hayworth on July 19 in rapid succession comes Martin and Lewis in "Scared Stiff", then Jose Ferrer in "Moulin Rouge", Walt Disney's "Peter Pan", followed by "Youn g Bess" the story of the life of Queen Elizabeth then "Titanic" with Clifton Webb and Barbara Stanwick; "Girl Next Door" with Dan Dailey and June Haver. This was the last picture Miss Haver made before entering the convent.

The Grove Theatre has been the recipient of many compliments concerning its operation and apperance since it has come under the management of Ames. The show is open every day with matinees on Wednesday, Saturday and Sunday.

$750 Goes To Plane Survivor

Don Smith, 3596 Sweetwater Rd. survivor of an air crash which claimed the life of his wife, Charlene, has suffered complications and has undergone surgery this week at Lincoln General Hospital.

A total of $750 has been collected by Kenny Hall, service station operator for whom Smith worked, to help defray the family's expenses.

The Smith family was on a vacation when the private plane in which they were traveling crashed June 13th in Arizona. Their infant daughter, Deborah, was tossed clear of the flaming wreckage and has fully recovered. Two of the five passengers died in the crash.

Man's memory is a marvelous asset, according to Grove Attorney Luther Hussey. It enables him to remember a story he has told dozens of times, and to forget how often he has told it, he says.

LETTERS TO THE EDITOR

Editor,
Lemon Grove Review:
Dear Mr. Goodwin:

Here are some stray thoughts concerning the irrigation district for the consideration of you and your readers.

1. Did you know that the irrigation district at present charges $455 an acre to get into the district? Then they charge a monthly payment and a yearly tax and that the property owners in the district can lose their land if they can not pay their taxes or their monthly bill?

2. Did you know they differ from public utilities in that they can take your property for non payment of taxes?

3. Did you know that they can hold an election to vote for a bond issue of pipe line, have the bond issue turned down by vote, then proceed to buy the pipe and put it in and make the people pay for it anyhow?

4. Did you know that the district does not have to guarantee the users that the water is sanitary or good for household use?

5. Did you know there are islands of land in Spring Valley entitled to water but cannot get it and the district goes to a community (El Cajon) who is not in the district and puts in about 7,000 acres of land-water?

6. Did you know the board has a right to invest the people's money in land for speculation and that this is a very bad policy?

7. Do you know that when the district refuses to give water to fringe areas or island classifications, they are not abiding by the Metropolitan Water District rules?

8. Do you know that the users that are not in the district have attached to private lines and use irrigation water anyhow?

9. Do you know that this is the only irrigation district that I know of who claims to have no money and then proceeds to spend huge amounts for things they say are vital to the operation of the water district?

I would like to know how other people feel about these things.

Sincerely
Emil S. Caldwell
1436 Helix Street
Spring Valley
H6-1562

The Review asked Irrigation District Bob Rundell to explain Mr. Caldwell's charges. This is how he answered them.

1-The fee ($450) is in lieu of taxes that the property would have paid had it been in the District from the start. It's just like trying to buy into any corporation. This total increases yearly.

2-Sanitation or Fire Districts City, State or County Districts have the same prerogative.

3-Bond issues are for a method of financing not approval of projects. Thus any necessary project which falls by bond issue may be financed by current revenue from water sales and taxes.

4-If there is any question about the quality of your water, call the County Health Department. They take samples regularly.

5-El Cajon District now has 2½ million dollar bond and they install their own works. These islands have been costly to go around. Now the district may go through them. This consideration alone will save the District thousands of dollars.

6-This right is inherent in practically all political subdivisions.

7-Metropolitan Water District rule is that no water shall be served to land not in the Metropolitan Water District.

8-If such situation exists it is illegal use of water.

9-The District's budget shows where the money comes from and where it goes. These records are available to any interested citizens.

10-Mr. Rundell invites Mr. Caldwell to present his problems to the board at 9:00 a. m. any Tuesday.

Editor's Note:

Responsibility of Irrigation District laws and changes in directors rests in the hands of the District's citizen.

Voters should learn more about the District's operation. They should attend board meetings. They should maintain contact with their District's directors. Then they should exercise their right to vote. Then they can make any changes of directors and any changes in Irrigation District laws they desire.

Max Goodwin

LOCAL PHOTOS BY A & E JESSEN

Mrs. Greenlee Wins Safety Prize

Mrs. Frank Greenlee, 8425 Golden Ave., well known in local P. T. A. circles, was named top prize winner this week in the San Diego Safety Council Contest.

For her slogan, "Think as you Drive-Stay Alive," she was awarded a portable radio.

The award was made by Lyle Shoemaker, executive director of the council, during a radio program via KCBQ. Also on the programb were Police Chief Wm. Thein and Sergeant Bob Crosley.

Two Lions Get 5 Year Awards

There are two mighty proud Lions in Lemon Grove this week.

Forrest Baxter and Bob Johnson became recipients of 5 year membership awards at a meeting last week. Baxter received a pen set and Johnson was given a ring.

Al Cole, vice-president, was acting president for Dr. Don Johnson.

The group contributed $25 toward the beautification on the railroad plaza north of Broadway.

Dr. Cal Nicholl furnished the program and Bob Browne was initiated into the club.

School Board Eyes Cheaper Construction

Economy was the key-note at the school board meeting Tuesday night.

They heard architect C. J. Paderewski describe a tilt-up type of construction for classrooms that would cost less than $19 per square foot.

$7,000 of a $14,000 unanticipated balance from the old budget will be carried over for a beginning budget when it is adopted at the August 3rd budget hearing. The remainder will go to reduce the school tax.

The $700,000 school board budget will be approved at a meeting August 3.

The board inferred that the reduction might bring the tax rate for school operation down to $1.25.

Harry Griffen stated to the board that the "interests of the district are not being served by failing to get alternate architects to work on school plans with the administration."

It was the first regular meeting at which Frank Armstrong, newly elected board member, sat.

Work Started On New Water Lines

After two false starts, contracts last week were awarded to Nelson Brothers of Lemon Grove by the Irrigation District for $27,831 for the installation of new pipes and hyrants in Lemon Grove.

Approximately 3739 feet of 12 inch pipe, 987 feet of 8 inch pipe, 250 of 6 inch pipe and four six inch fire hydrants are involved, with all material being furnished by the Irrigation District. Value of the work including materials is approximately $62,000 with the completion date set for October 3.

Board of Directors said the fact that underground contractors are so busy is the cause of delay in getting the bids on this work at a reasonable fee.

The district has undertaken plans to minimize the inconvenience that will be caused to the traveling public and the business area, particularly on the south side of Broadway adjacent to the new pipe line. Rapid fill back will be attempted in order to make the inconvenience the smallest possible.

Increase in water presure will be one of the immediate results of the new line.

District authorities say that it is likely to result in better insurance raes when another survey of fire facilities is made.

BULLETIN

It was reported, unofficially, Thursday that the Irrigation District tax rate will be $1.60. This is a reduction of 40c from the $2.00 tax rate of last year.

One thing that is official is that J. Squire is contemplating the use of San Diego County assessment rolls as a guide for Irrigation District assessments beginning next year.

Squire is Irrigation District Assessor.

First Of Free Lemonade Days Set By Local Merchants

The first of a series of monthly Lemonade Days with lemonade being distributed free to everyone who visits the business section of Lemon Grove is planned for Saturday, August 1, under the sponsorship of the Lemon Grove Chamber of Commerce.

Huge tubs of lemonade will be set up in the park along the railroad track and will be dished out to all visitors who are thirsty. In conjunction with the free lemonade which will be paid for by the merchants a series of merchandising events designed to make the visit ot the business section doubly important is being planned by business firms.

Additional information will be published concerning the monthly Lemon Grove lemonade day in the next issue of the REVIEW.

Appliance Group Holds Opening Event

This is the staff of C. P. Appliances as they held their expansion re-opening this week at 7850-52 Broadway.

In connection with the opening, door prize drawing of many gifts will be made. Two radios, an electric roaster, steam iron and waffle baker will be given. Lollipops for every kid and salt and pepper shakers for every adult will also be distributed.

In the group above are Clarence Evans, Jack Colnot, Barbara Howell, Harold Lenox and Jerry Howell.

The drawing will be Friday night at 8:00.

FREE ROOT BEER AND SHOWS

The heat being what it has been the past few days the REVIEW got to thinking how good a frosty glass of root beer would be and how relaxing it would be to see a good show.

So we asked RICHIE'S Drive In if they would repeat their free root beer offer for REVIEW readers. Richie's owner, Abe Polak, agreed.

Then we asked the GROVE Theatre if they would give a free deal at their Wednesday matinee. Morgan Ames, theatre owner, said he would admit any adult free if accompanied by a child (get it? Kids pay - parents free).

So all you have to do is tear out the coupons on page 4 of this issue of the REVIEW and follow the instructions thereon with compliments of the REVIEW and the above firms.

RICHIE'S is on Broadway near Massachusetts and the GROVE Theatre is on Imperial near Broadway.

Now They Have Folding Ladders Already

There is another candidate for the catagory that includes a fur lined bath tub and a crocheted flower pot.

Its a 14 foot ladder that folds up small enough to put in the back of your car. The ladder is made of heat treated channeled aluminum with a clever arrangement of lock blocks. The manufacturer advertises it as strong as an ox and as light as a feather and is strong enough to handle weights as great as placed upon any type of ladder. It is distributed by Baker Hardware, 6196 University Avenue.

Gascoigne Off For Japan

Lt. R. F. Gascoigne SC, U. S. N. supply officer of the U. S. S. Noble (apa. 218), 3740 Riviera Drive leaves Lemon Grove this week for San Francisco for service in Yokasuka, Japan and Korea. Lt. Gascoigne will return to the states the latter part of December, it is reported.

The Gascoignes have two children: Dickie, 12 and Dean, 6.

You Can't Get Fresher Produce Says S. V. Housewife

"I've never been able to obtain fresher vegetables anywhere," remarked Mrs. A. N. Wiman, 9104 Valencia Drive, Spring Valley.

She, quite naturally, is talking about the produce department of Davis' Food Center, where she shops regularluy to replenish the larder of the Wiman family.

"We find that Davis has the widest variety and selection of food at competitive prices," she said.

"Another reason we shop here is that the market is run very efficiently and we can get in and out very fast with little waiting and practically no lost motion," she said.

Mrs. Wiman, a young housewife, was once associated with radio broadcasting stations.

Mr. Wiman is part of the official family of the community of Spring Valley.

Davis Market is on Broadway at Olive. **—ADV.**

Allee Family Have Visitors

Mr. and Mrs. E. S. Allison of Topeka, Kansas are spending two weeks with Mr. and Mrs. E. A. Allee, 7555 North Avenue.

Mrs. Allison is Mrs. Allee's sister.

Huge Guest List For McHenry – Curry Ceremony

A reception following the marriage of Suzanne McHenry to William James Curry was held July 12 at the home of the bride's parents, Mr. and Mrs. Edward F. McHenry at 1783 Dupont Drive in Monterey Heights. More than 100 guests attended the 5:00 to 8:00 p. m. affair.

The couple was married by Reverend Milmine at the La Mesa Congregational Church on Sunday, July 5, at 6:00 p. m. Following a three day honeymoon, the newly-weds took up their residence at 8261 Golden Avenue.

At the wedding the sister of the bride, Mrs. Frank J. Filipti, was matron of honor.

The bride's brother, Edward F. McHenry, Jr., was best man.

The groom is the son of Mrs. Robert H. Curry, 8261 Golden Avenue, and the late Robert Curry.

The couple is at home to friends and acquaintances now.

Twomeys Take Vacation in Prescott

James Twomey, 8170 Lincoln Avenue, together with his wife "Buster" and son Pat, are off to Prescott, Arizona for a ten day vacation.

Twomey is distributor for the San Diego Tribune in Spring Valley and the back country.

San Diego County Historical Scrapbook

Dedication of New Jail Marred by Prison Break...1850

By 1850, Old Town was already an old city by California standards, and it seemed high time to incorporate the little town and launch into a program of civic improvement.

One of the first projects of the new city government was the construction of a jail. Originally planned to cost $5,000, the price was raised to $7,000 when a rainstorm threatened to melt away the cobblestone building before it was completed.

When the jail was finally finished, the townspeople and city fathers gathered for the celebration and dedication. Speeches were made, the jail was inspected, and the first prisoner duly locked in his cell. The ceremony being over, the townspeople went home . . . followed shortly thereafter by the inconsiderate prisoner, who had no trouble at all burrowing through the flimsy jail.

A reporter of the time noted that the only thing the jail ever held successfully was a pepper tree that grew in one of the cells. The tree is plainly visible in this photograph from the historical collection of Union Title Insurance and Trust Company.

LETTERS TO THE EDITOR

Editor,
Lemon Grove Review:
Dear Mr. Goodwin:

The advertisement about the Santa Rosa sewage treatment plant which appeared in a recent issue of the Review certainly shows the need for the people in the Spring Valley Sanitation District to be pretty careful about accepting any more statements from the Mountain Valley Taxpayers' Association against the proposed sewer system.

Those people certainly have their nerve to try to get away with putting out incorrect information about such a serious thing as that. The Federated Sanitation Committee is certainly to be congratulated on making every effort to get and publish the truth about these things.

More power to them, I say.

Yours truly
Mrs. June Wallace

Top Honor Winners At Helix Named

Two Helix High School honor rolls were released last week.

The honor roll proper for the second semester is based on a point system with A equalling 4 and B equalling 2.

The roll has a high of 20 points down to and including 12 points.

Honor students who have received 18 up to and including 20 points are the following:

20 Points — Patricia Anderson, Marlene Dawson, John Dukes, Herbert Goodwin, James Goodwin, Helen Hommersand, Beverly Howell, Janice Jowett, Lois Montrose, Carol Prasser, Louise Quist, Shirlee Quist, Peter Richetta, Aileen Schriefer, Carolyn Stahle, Marilyn Stahle, Marjorie Tripp.

18 Points—JoLynn Fleishman, Valerie Hoard, Grace ellock, Brenna Lauger, Peggy Lester, Billie Rhodes, Barbara Tann, Edward Tilling, Robert Tilling.

The "O" honor roll list represents outstanding growth in personal traits: responsibility, work habits, social concern and inquiring mind. These qualities are extremely important to careers.

Students who receive 18 or more points up to and including 24 ,which is the tops ,is as follows:

24 Points—Mary Jane Mudd.

23 Points—Janice Jowett, Shirley Quist.

22 Points—Bonnie Anderson, Marlene Dawson, Jacqueline Elerman, Judy Heindel, James Hutchens, Peggy Lester, Joan Stropie, Marjorie Tripp, Kay Williams.

21 Points—Diane Dewey, Valerie Hoard, Joan Lewis, Louise Quist, Barbara Rhodes, Ona Steinhoff, Joan Stewart, William Tye.

20 Points—Patrlica Anderson, Judith Beck, Connie Boardman, Yvonne Boucher, Beth Guy, Myrna Haupt, Sue Morten, Arthur Myers, Aileen Schriefer, Charlotte Schriefer, Ronnie Svalstad, Robert Tilling, Dawn Ward, Patricia Weber, Andrew Wyatt, Gale Yenrick.

Public Notices

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that the Lemon Grove School District of San Diego County, California, acting by and through the Governing Board, hereinafter referred to as the District, will receive up to, but not later than 2:00 o'clock p. m. of the 23rd day of July, 1953, sealed bids for the award of a contract for lease-purchase of a school bus. Each bidder shall state in his bid the purchase price which he will pay for one used school bus which belongs to this District and which is being replaced. Such bids shall be received in the office of the Governing Board of said District located at 3202 Acacia Street, Lemon Grove, California, and shall be opened and publicly read aloud at the above stated time and place.

Such bid must conform and be responsive to this invitation, the Information for Bidders, the Specifications, the Plans, if any, and all other documents comprising the pertinent Contract Documents. Copies of the Contract Documents are now on file and may be obtained in the office of said Board at the above address.

Each bid shall be accompanied by a certified or cashier's check payable to the District, or a satisfactory bid bond in favor of the District executed by the bidder as principal and a satisfactory surety company as surety, in an amount not less than 5% of the maximum amount of the bid. The check or bid bond shall be given as a guarantee that the bidder shall execute the lease agreement if it be awarded to him in conformity with the Contract Documents.

The District reserves the right to reject any or all bids, or to waive any irregularities or informalities in the bids or in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4330 to 4334, inclusive, Government Code.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening of bids.

Roofing for a Ranch House

from SMALL HOMES GUIDE

Low-Pitched Roof

An ordinary shingle roof will not offer enough protection for a low-roofed ranch house. The installation of a suitable roof, a built-up one, is shown here.

First, a layer of asphalt felt is applied, then block insulation is laid in mopped asphalt over the felt, and more asphalt is mopped over the insulation.

At right another layer of felt is laid in the opposite direction over the insulation blocks; more liquid asphalt is mopped over this. Wide lapping of felt edges makes this in effect a double layer. Below, the final layer of roofing is heavy white roll roofing.

Left, each strip is nailed to top edge of preceding row, and folded over to cover the nails. Then roof is mopped with a special white waterproofing compound. This keeps the roofing from drying out, acts as insulation.

Kids Gather 8,000 Shoes In Contest

An old shoe gathering contest wound up Saturday with the distribution of 3 bikes, 8 cameras, a free picture show and 25c to spend on candy for 18 Lemon Grove kids.

The contest, sponsored by Lane's Shoes, produced 8,128 pairs of shoes which are being distributed to Korea, to local church groups and the Salvation Army.

Winners of the bicycles are Blackie Lee, 7356 Broadway, 868 pairs, Ronald Scalliotti, 2161 Ensenada, 778 pairs, and Sheron Lane, 3047 Buena Vista, 556 pairs. Winners of the cameras were Doug Pechstein, 7885 Sanford, Martin Koenekamp, 3882 Carencho, Bonita Berquist, 1751 Dupont Drive, Robert Cherno, 3702 Citrus, Jackie Casper, Michael Firth, 4476 Granger, Larry Neises, 2348 Berry Street, and Ronald Meklensek, 1938 Englewood.

In the photo for front row are left to right: Bonita Berquist, Ronald Scalliotti, Larry Neises, Koenenkamp, Ronald Meklensek, Douglas Pechstein, Marie O'Conner, Cristine Mammano. Back row: Sharon Lane, Michael Firth, Blackie Lee, Robert Cherno, Judy Rank, Rozanne Nadler, Jackie Foss, Linda Walters, Mary Duffy, and Sheri Gable.

New Bond Issue Possible For Schools

ESCONDIDO — Ed Bulen advised the REVIEW that a bill he introduced that would defer money borrowed from the state if new bonds are issued for the same surpose as that for which state money was borrowed, has been assigned by Governor Warren.

Interpretation of this bill (AB 912) was made by the Grossmont High School District.

Here is what they say:

School Districts which have been under the State School Building Aid plan and who now face additional building programs under their own resources have been offered some measure of relief by the action of the legislature and the Governor in writing in the law Assembly Bill 912 This legislation was recently signed by Governor Warren. In effect, the purpose of this legislation is to iron out some of the inequities now existent in tax rates for school building purposes.

At the present time school districts which have had school aid under Chapter 1389 and which now vote new bonds and qualify for an additional state loan under Chapter 19 have their tax rate for this purpose held at a maximum of 40c. Some districts secured a state loan under Chapter 1389 but are now able through having paid off bonds and through increased assessed valuation, to meet new building needs through voting new local bonds. They do not qualify for further state aid in the face of a 40c building tax rate under Chapter 1389 plus THE RATE NECESSARY TO RETIRE THE NEW BONDS NOW BEING VOTED TO MEET THE NEW NEEDS.

The legislation just signed by the Governor will allow these latter districts to have their new bond issues counted in computing repayments to the state. Expenditures which qualify under present square footage requirements and other regulations would be counted. This would have the effect of allowing these districts to operate under the 40c maximum rate in the same manner as the districts which are still qualifying for state aid. These districts affected were asking only a deferment of payments under Chapter 1389 in order to avoid pyramiding of taxes. They were not asking for a grant of funds. The legislation seeks to afford these districts the same spreading of payments provided now for districts receiving state aid under the new state program.

Public Notices

NOTICE OF PROPOSED SALE OF PERSONAL PROPERTY

Notice is hereby given that the Governing Board of the Lemon Grove School District, San Diego County, California, will on the 30th day of July, 1953, at 2 o'clock P. M., in the Lemon Grove School District Office, 3202 Acacia Street, Lemon Grove, California, sell to the highest bidder the following personal property belonging to said district and no longer required for school purposes:

One frame building 24 feet by 40 feet, total of 960 square feet. FLOOR CONSTRUCTION: 4"x6" stringers 8" O. C., 2"x6" floor joists @ 16" O. C., 1"x4" clear Oregon Pine flooring. WALLS & CEILING: Exterior wall 1"x10" California type sheathing, tongue and groove, no batts. Interior walls sealed with 4'x6'x⅛" sheet Celotex from ceiling to top of 2' plywood wainscoat ¼" thick. Ceiling 16"x32" Celotex tile. ROOF: 110 lb. composition rolled roofing on a hip roof, 2"x6" rafters @ 24" O. C. PLUMBING: 2 toilet bowls and flush tanks. Electric outlets and ceiling lights. FOUNDATION: Building rests on concrete piers.

Property is to be removed from the premises at the expense of the bidder within thirty (30) days after the acceptance of bid, except that foundations may be left on the school property. Premises are to be left in good condition, free and clean immediately after removal of buildings.

Lump sum bids only for the building above described will be received and shall be submitted in writing and filed with the Business Manager of the Lemon Grove School District not later than the above specified time for opening. Each bid must be accompanied by a certified or cashier's check for not less than five percent (5%) of the amount of the bid, made payable to the order of the Lemon Grove School District of San Diego County, California, as a guarantee that the bidder will complete the purchase upon acceptance of his bid, and will be declared forfeited if the successful bidder refuses to complete the purchase after being requested to do so by the Governing Board. Oral bids will be received at such public session, provided they are made by responsible persons, and are for a price exceeding by at least five percent (5%) the highest of any written proposals received. The Governing Board reserves the right to reject any and all bids, either written or oral, and withdraw such property from sale; also to waive any informality in the bidding.

Dated this 13th day of July, 1953.

Cuts Are Cooler On Broadway

They are congregating like flies on a sugar cookie at the Broadway Barber Shop, 7968 Broadway, since they installed real air conditioning and new, comfortable sponge rubber chairs.

In addition to that they have enlarged the shop, put in another chair, making three in all, and have hired another barber.

The thing which got the improvements going was the agreement between Bob Sargent and Bob York in which Sargent took Bob as a partner. "It's the end result of the pressure of progress," the partners chorused.

Are You Guilty Of Doing Things Like These..

- SPEND THREE HOURS BARGAIN HUNTING TO SAVE 25c?
- WASTE A DAY'S TRAVEL IN TIME AND EXPENSE IN ORDER TO CATCH SOME OUT OF TOWN BARGAIN WHICH MAY OR MAY NOT BE A 'BARGAIN' AT ALL?
- DRIVE 9 MILES TO BUY EGGS FOR A FEW CENTS LESS THAN YOU CAN GET THEM AT YOUR LOCAL STORES?

Most of us are guilty on one or more counts and we thereby exhibit an excellent example of false economy. In most cases we spend twice as much in actual cash, time and shoe leather as the few pennies we are supposedly 'saving.'

Grove Scouts Enroute Jamboree

Three Lemon Grove youths, headed for the 3rd International Scout Jamboree, seek the least likely mode of transportation (Review photographer Jessen's car) to get to the Irvine Ranch at Corona Del Mar where the jamboree is being held. Later they transferred to a more sensible type of transportation to spend July 17 to 26 at the world famous event.

Pictured above are Russell and Lyle Graff and Martin Murphy of Tom Browne's troop No. 168 from St. John of the Cross Church.

Final 'March Of Dimes' Report Given

Channing Mason, past president of the Lemon Grove Kiwanis, returned from an extended vacation to bring in a report from the recent Grove Infantile Paralysis campaign.

The report, together with a fine letter of appreciation, showed that the grand total of $5,162.99 was collected during the drive. This compares with $1,305.14 in 1951 and $1,171.21 in 1952.

A breakdown of income for the 1953 drive is as follows:

Mothers March	$1115.34
Coin Collectors	413.87
Block of Dimes,	
Lemon Grove	462.75
Monterey Heights	90.00
Schools	
Helix High	616.42

MIL'S MUSINGS

Continued from Page 1

took the shoe back.

Anyhow the shoe and owner are back together again.

A few weeks ago this column reported that Meyer Zung had made a mighty fine haul at Las Vegas. We listed his winnings as $75. The printer set it $750. By the time the story circulated several friends called and asked Zung about his $7,500 winnings. Then he called the keeper of this column.

Its simply a matter of keeping the records straight but with tax problems we face today, a guy's got to be careful, y'know.

Brains and ability usually pay big dividends but you could get an argument from Mrs. Netzley, wife of Byron Netzley, superintendent of the Grove Elementary School District.

Byron hired several Mexican nationals to cut down a palm tree in his yard. He drew diagrams on paper, marked the tree where it should be cut and showed them where to attach ropes in order to make the tree fall in the proper direction. Every thing went according to plan except the tree fell in the wrong direction. The tree fell into a neighboring yard, across the neighbor's fence tearing down electric lines and telephone lines.

That's why there's a vacancy in the Netzley palm tree engineering department these days.

Little League Baseball Started In Lemon Grove

Mike Caldiron, summer playground recreation director, has issued a call for all Lemon Grove boys between the ages of nine and twelve to participate in the Little League baseball program.

For the past two weeks approximately twenty boys have been attending baseball school under his direction. Mr. Caldiron, former Columbia University football and baseball star, is being assisted by Coach Tom Welbaum, Helix High School baseball coach and former Ohio State Athlete. Practice is being held daily at the Lemon Grove Junior High field from four to six p. m. Any boys interested may report at this time. It is hoped to form a six-team league similar to the El Cajon and La Mesa Little League Baseball.

The following boys have already signed up for training: Keith Hall, John Stafford, Eddie Whitesall, Larry Yost, John White, Elmo Nosari, Charles Taylor, Robert Guetersloh, P. D. Jernigan, Jimmy Welbaum, Gary Whalen, Ray Kygar, Larry Hutton, Bob Sileneck, Ronnie Molder, David Newell, Bruce Martin, Ronnie Young, and Roger Wright.

For further information call Coach Caldiron at the Lemon Grove Fire Station or Coach Tom Welbaum at H9-3007.

It is to be noted that both coaches are donating their time in the interest of promoting good athletics among the young boys of Lemon Grove. Both men would welcome additional help from any interested sportsmen. The Lemon Grove merchants have given unanimous approval of this project and are assisting in securing uniforms for the boys.

The next time you happen to stop for the traffic signal at 33rd and University in San Diego, think of Mrs. Jack Norr, an energetic and resourceful woman now living up in Monterey Heights. If a title were to be awarded to the Busiest Woman of the Year, Mrs. Norr would be right there in the running to claim title. Besides the usual chores of homemaking, and rearing children, Mrs. Norr finds time to be active in civic affairs, a private enterprise, and during the County Fair was also a participant in that shindig.

While residing in San Diego near the vicinity of the busy 33rd and University intersection, Mrs. Norr often found considerable difficulty in crossing the street. Her small child even had a worse time. Observation showed that she was not unique in fighting traffic as a poor pedestrian. Her conclusion was that a traffic signal was necessary to protect her and her neighbors lives. A written request for same to the traffic engineer was referred to the City Council, whereupon the council informed Mrs. Norr that because of the war (year, 1945) such improvements were scheduled on the basis a strict priority, a petition with a requisite amount of signatures was necessary before the council could grant such a request. Mrs. Norr thinks now that the council set the number of signatures higher than they thought possible to attain. Working nights while her husband was babysitter, Mrs. Norr accomplished the impossible, got the 500 signatures, and the traffic signal. Worst part of it is, says Mrs. Norr, is that she has yet to make a green light. An experienced petitioner, Mrs. Norr is currently engaged in gathering signatures to the petitions being circulated now in regards to the incorporation proposal. Small in stature, her accomplishments tower above her, as any of her friends will vouch.

Capt. Davis On Training Duty

Army Reserve Captain Edward N. Davis, 3576 Fairway Drive, Brookside, is receiving two weeks active duty training with the 7th Armored Division quartermaster section at Camp Roberts.

Captain Davis is married and has received his commission in 1932 at San Francisco.

Major Holmes At Camp Roberts

Major Jorome K. Holmes of Campo is taking reserve training at Camp Roberts with the 7th Armored Division chemical corps, it was announced this week.

Major Holmes received his commission in August 1942 and is on leave from his position as instructor from the Mt. Empire Union High School. He is married and has five children.

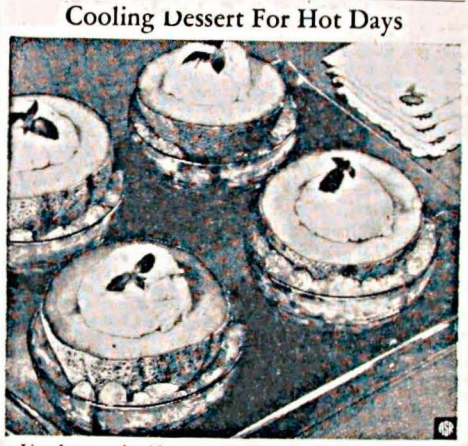
Cooling Dessert For Hot Days



Lime freeze made with economical nonfat dry milk is delicious served alone as a frozen dessert, or scoops of it may be piled into the heart of iced melon for a fancy looking dish that adds the right touch in sweltering weather.

Many a homemaker thanks her lucky stars for convenient nonfat dry milk. It will keep almost indefinitely on a cool, dry shelf if the package is closed carefully after each using. Food stores have easy-to-carry one-pound packages which yield five quarts of nonfat milk for as little as nine cents a quart. Nonfat dry milk is an excellent source of protein, calcium, riboflavin and lactose.

Lime Freeze
(Makes 6 servings)

1 tablespoon (1 envelope) plain unflavored gelatin
¼ cup cold water
½ cup boiling water
1 cup sugar
1½ cups liquefied Starlac nonfat dry milk*
½ cup lime juice
6 to 8 drops green vegetable coloring, optional
2 egg whites, stiffly beaten

Set refrigerator control at coldest point. Soften gelatin in ¼ cup cold water. Let stand 5 minutes. Add gelatin to boiling water and stir until dissolved. Add sugar. Carefully stir in liquefied Starlac nonfat dry milk, lime juice and green coloring. Pour into refrigerator tray. Cover with waxed paper. Freeze until mixture is almost frozen. Scrape mixture into a chilled bowl; break up large lumps. Beat with rotary beater or electric mixer until consistency resembles strained applesauce. Fold beaten egg whites into lime mixture. Pour mixture into two refrigerator trays. Cover with waxed paper and return to freezing compartment. Freeze until firm, about 2 hours. If desired, garnish with Starlac Whipped Topping and serve immediately.

*To liquefy Starlac nonfat dry milk, follow directions on the box.

State Seeking Construction Men For New Projects

The state government is looking for construction and engineering talent for various big projects authorized by the legislature.

Needed soon, says the State Personnel Board, will be construction supervisors at three levels, with salaries ranging from $505 to $821 a month.

Two junior jobs for electrical and mechanical engineers, each paying $376 to $415, are open.

To meet a major need in the new highway construction program, the state is seeking junior civil engineers at $376 to $415 a month. These jobs are open to civil engineering graduates or to non-graduates with two years of acceptable experience. Application deadline is August 7.

Foothills Art Association To Hold Exhibit in Balboa Park

The Foothills Art Association is to hold an exhibit in conjunction with the National Mineral and Gem Show in Balboa Park's Electric Building July 17-19. This is to be the largest gem exhibit ever to be shown in the United States for the combined conventions of the American and California Federations of Mineralogical Societies, and many rare specimens will be displayed. The show opens at noon on Friday and will continue through Sunday.

Artists of the local Association will have paintings on display around the walls of the exhibit, adding much beauty to the show. La Jolla and Chula Vista Art Guilds will also have paintings displayed for this interesting show.

One feature of the show will be a "grab-bag" of locally mined gem specimens, such as kunzite, morganite, and tourmaline.

Symphony Starts Tuesday Night

Gala opening of San Diego Summer Symphonies is set for Tuesday night, July 21 at 8:30 in Balboa Park Bowl.

The 6-concert series will continue each Tuesday night through August 25.

Here to conduct the San Diego Symphony Orchestra is the gifted, young conductor, Robert Shaw, who, in 1943 was named the outstanding American born conductor.

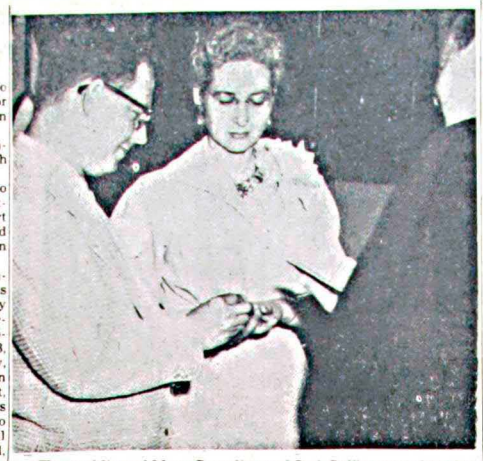
Shaw, noted for his distinguishing programming, has planned a brilliant and widely appealing program for the premiere concert. It offers Beethoven's Leonore Overture No. 3, Schubert's Unfinished Symphony, Mendelssohn's Piano Concerto in G. Minor, with the brilliant, young New York pianist, James MacInness as guest artist. Also to be heard Tuesday night will be Debussy's Blessed Damosel, with the famed Women's Chorus from Occidental College and as soloists, Anne Shaw Price and Katherine Hilgenberg. Concluding number will be Aaron Copland's Lincoln Portrait.

Grove School Costs Near Record Low

Lemon Grove had the fourth lowest expenditure per pupil in elementary school districts in San Diego county, according to the California Taxpayers Association bulletin for July.

Totals of ten school districts are as follows:

	1951-52	1950-51
Cajon Valley ..	$194.94	$174.90
Carlsbad	196.41	183.56
Chula Vista	220.78	183.36
Escondido	204.37	168.73
Lakeside	214.90	177.37
La Mesa-S.V. ..	214.65	188.22
**Lemon Grove	**187.26**	**166.20**
National	177.28	158.99
Oceanside	207.88	195.90
South Bay	190.23	155.96



The wedding of Mary Cornelius and Bud Coffin was solemnized July 4 by Reverend Dan Apra at the Lemon Grove Congregational Church.

The Coffins will be at home about October 1 in a residence they are building at 830 Alton Drive.

$1,645,700.00 Grossmont School Budget Get Prelim OK

Grossmont Union High School Board of Trustees on Monday evening approved a preliminary budget calling for expenditure of $1,645,700 during the 1953-54 fiscal year. $373,300 was set aside for reserve funds which increased the total budget to $2,019,000.

Final action on the budget was deferred to the public hearing scheduled for August 3, at 7:00 P. M. in the Board Room at Grossmont High School. The purpose of the budget hearing is to give interested citizens an opportunity to participate in shaping financial policies of the district.

The tax rate will drop from $1.139 to an estimated .81. The 33c cut in the tax rate was made possible by increased apportionments from the state, by increase in the assessed valuation, and by a beginning cash balance of $430,000.

The board also approved an 8% increase in salary schedules for non-certificated employees. "This action will bring the pay schedule in line with that in neighboring school districts, as well as in business and industry," said Harold G. Hughes, Assistant Superintendent. The new monthly scale ranges from $235.00 minimum on classification 1 to a maximum of $471.00 on classification 14.

Administrators salary schedules were increased as follows:

Superintendent—$8,800 - 10,000 present schedule; $10,000 - 11,500, new schedule.

Ass't. Superintendent—$8,000 - 9,200, present schedule; $9,200 - 10,700, new schedule.

Principals—$6,800 - 7,800, present schedule; $8,000 - 9,000, new schedule.

Vice Principals and Director Adult Education—$6,300 - 7,300, present schedule; $7,200 - 8,200, new schedule.

The board also referred site selection problem in the Spring Valley - Lemon Grove and Lakeside - Santee areas to the Citizens Advisory Committtee which meet Wednesday.

Safety Council Starts Member-Ship Drive

The people of Lemon Grove were strongly urged by the San Diego County Traffic Safety Council to walk and drive as though a life depended on it "One does, and it may be yours," said Fred H. Rohr, President of the Council.

Pedestrians who consider traffic safety as something that will be presented to them by others on a silver platter, can walk themselves to death. The council warned walkers to keep these traffic safety rules in mind during the vacation months: cross streets only at intersections, stay within crosswalks, never walk suddenly from any spot where parked cars block the view, use safety islands when available, obey regulations and directions of traffic officers.

To those who will include hiking in their summer relaxation hours, the Council advises: "avoid walking on the highway at night, when there are no sidewalks, walk to the left facing traffic, before you leave a curb, be sure you have time to cross safely."

Pledge yourself to walking and driving safely by sending a $1 contribution with your name and address to the Traffic Safety Council, San Diego 7. A Driver Membership in the Council will be sent to you in the mail.

Doors, windows and collars are best left open in July. It's a good month to postpone the extra work you'd planned to do in June, theorizes Jack Sanders, the hardwareman.

Summer vacation is likely to become the time when you give up good dollars for bad quarter, reports 1st National Banker Jack Koop.

Local Bethel Of Job's Daughters Instituted

The new Lemon Grove Bethel of Job's Daughters will be instituted Sunday, July 19, 1953 at 1:30 p. m. in the La Mesa Masonic Temple, Orange and Date Streets, La Mesa, California.

Members of the Grand Guardian council will be present to institute the Bethel under the direction of Mrs. Iva Owen, Grand Guardian of the State of California.

Master of Ceremonies will be Mr. John Haslam, Associate Guardian of La Mesa Bethel No. 50.

Miss Audrey Philip heads the corp of installing officers which consists of Past Honored Queens from neighboring bethels.

Members of the new Guardian Council include: Mrs. Ann Troel, Guardian; Mr. Edward Wrede Jr., Associate Guardian; Mrs. Maxine Anderson, Guardian Secretary; Mrs. Jane Wrede, Guardian Treasurer; Mrs. Celia Thibeault, Director of Epochs; Mr. William Rife, Jr., Promoter of Fraternal Relations; Mrs. William Rife, Jr. Promoter of Finance; Director of Music, Mrs. Elsie Hoard; and Custodian of Paraphernalia, Mrs. Eileen E. Lewis.

The new crop of officers are as follows: Honored Queen, Carol Lewis; Senior Princess, Martha Anderson; Jr. Princess, Donna Casley; Guide, Carol Stockman; Marshal, Valorie Hoard; Recorder, Christine Johnson; Treasurer, Iva Winkler; Chaplain, Emma Lou Stewart; Librarian, Carlee Small; Musician, Barbara Morton; First Messenger, Jackie Doyle; Second Messenger, Beverly Loper; Third Messenger, Peg. Lester; Fourth Messenger, Judy Nelson; Fifth Messenger, Beverly Burns; Senior Custodian, Lois Wrede; Junior Custodian, Sally Thibeault; Inner Guard, Sharon Wolter; Outer Guard, Karen Wrede; Queen Page, Karen Wrede; Assistant Recorder, Barbara Troxel.

Ushers are Ross Lewis and Marty Philip.

The meetings are to be held on the first and third Wednesdays of every month starting August 5, 1953 at 7 p. m. in the VFW Hall of Lemon Grove.

Deputy Sheriffs Wanted

Examinations are under way for deputy sheriffs.

About 10 permanent appointments and several temporary appointments will be made. Salaries range from $327 per month to $397 based on a 40 hour week.

Applicants must be between 22 and 29 years of age and be residents of California for one year and of San Diego County for 90 days.

Physical examinations will be held at the San Diego Y. M. C. A. and require 5 chins on the horizontal bar, 5 full dips on the parallels, 15 feet of rope climbing, 60 yards run in 10 seconds, fence vault of 4 feet, touching hands only, and be able to swim 60 feet and return.

Interested applicants should contact the department of Civil Service, room 402, Civic Center in San Diego.

Sales Tax Agents To Be Chosen In August Exam

Field representatives to check up on payment of California's sales tax will be chosen in a civil service examination August 29, the State Personnel Board said today. Applications must be in by August 7.

There are 235 such positions in the state and 15 current vacancies. Enperience in any of a variety business, management, or accounting lines will qualify, but the state is most interested in mature men with experience in commercial life, especially if they have been in business themselves.

Besides the sales tax job, the exam will qualify applicants for field positions for the State Controller, Franchise Tax Board and Department of Employment.

The positions pay $325 to $395 a month.

Heartland Players Hold Tryouts

Monday evening at 8 p. m. in the San Miguel School the Heartland Players will hold tryouts for their new play, a melodrama, which is to be produced the last weekend of August.

Anyone interested in lots of fun please come and try out.

Re the Proposed Annexation to the Lemon Grove Sanitation District

RESOLUTION OF INTENTION TO ANNEX UNINCORPORATED TERRITORY TO THE LEMON GROVE SANITATION DISTRICT AND NOTICE OF HEARING THEREON

On motion of Supervisor Gibson, seconded by Supervisor Bird, the following resolution is adopted and notice is ordered by the Board of Supervisors of San Diego County:

WHEREAS, Alvin M. and Beatrice Garber, the owners of certain property in unincorporated territory of the County of San Diego contiguous to the Lemon Grove Sanitation District, have asked this Board (Document No. 158403½) to annex said property to said Sanitation District under the provisions of the County Sanitation District Act; and

WHEREAS, the County Boundary Commission has approved the boundaries of the proposed annexation (Document No. 159013); and

WHEREAS, investigation of the proposed annexation by the Division of Engineering of the Department of Public Works discloses that said property is contiguous to said Sanitation District and that it would be desirable and feasible to sewer said property by extension of said District's lines (Document No. 159166); NOW THEREFORE

BE IT RESOLVED AND ORDERED:

(a) That it is the intention of the Board of Supervisors of the County of San Diego to annex to the Lemon Grove Sanitation District under the provisions of the County Sanitation District Act all of that contiguous unincorporated territory of the County of San Diego, none of which is now included in any other county sanitation district or other district or districts formed for similar purposes, bounded and described as follows:

(b) All that portion of the unincorporated territory of the County of San Diego, State of California, described as follows: Beginning at the Northeast corner of Lot 25 of Subdivision No. 3 of Tract 12, of Ex-Mission Rancho, as shown on Map No. 859, on file in the office of the County Recorder of San Diego County; thence Southerly along the East line of said Lot 25 to the Southeast corner of said Lot; thence Westerly along the South line of said Lot 25 to the Southwest corner of said lot; thence Northerly along the West line of said Lot 25 to the Northwest corner of said lot; thence Easterly along the North line of said Lot 25 to the point of beginning.

(c) That said Sanitation District following said annexation shall continue to be known by that name;

(d) That the Board of Supervisors hereby sets Tuesday, August 4, 1953, at the hour of 10:30 o'clock a. m. in the Chamber of the Board of Supervisors, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, as the time and place fixed for the hearing of objections to the annexation of said territory to said District, or to the extent thereof;

(e) That the Clerk of the Board of Supervisors is hereby authorized and instructed to publish this resolution of intention and notice of hearing thereon at length in at least two successive issues not more than 30 nor less than 10 days prior to the time of said hearing in the Lemon Grove Review, a newspaper of general circulation in the County of San Diego, in the territory proposed to be annexed, and in said Sanitation District.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 30th day of June, 1953, by the following vote:

AYES: Supervisors Gibson, Bird, Robbins, Rossi, and Howell

NOES: Supervisors None

ABSENT: Supervisors None

STATE OF CALIFORNIA) ss.
County of San Diego.)

I, T. H. SEXTON, County Clerk of the County of San Diego, State of California, and ex-officio Clerk of the Board of Supervisors of said County, hereby certify that I have compared the foregoing copy with the original resolution passed and adopted by said Board, at a regular meeting thereof, at the time and by the vote therein stated, which original resolution is now on file in my office; that the same contains a full, true and correct transcript therefrom and of the whole thereof.

Witness my hand and the seal of said Board of Supervisors, this 30th day of June, A. D., 1953.

T. H. SEXTON,
County Clerk and ex-officio Clerk of the Board of Supervisors.

WHY YOU SAVE TIME, FOOD AND MONEY

WHEN YOU HAVE *COMPLETE* HOME REFRIGERATION

IT HAS BEEN PROVED IN MILLIONS OF HOMES — YOU SAVE TIME IN BOTH SHOPPING AND MEAL PREPARATION — YOU WASTE LESS FOOD — YOU SAVE MONEY ON ORIGINAL PURCHASE AND LEFTOVERS — WHEN YOU HAVE BOTH A MODERN REFRIGERATOR AND A MODERN HOME FREEZER.

Complete home refrigeration is a wise investment — and like all wise investments, it pays you good dividends — dividends of time saved, food saved and money saved.

Let's discuss why and how a new refrigerator and home freezer save you time:

SAVE TIME TWO WAYS

First, you cut down on shopping trips because you can buy in quantity and store food in your home freezer — your home freezer actually becomes a supermarket in your own home.

Second, you save time in meal preparation. Recent surveys show that in the past ten years, women have cut down daily meal preparation time from two and a half hours to an hour and 20 minutes. One of the reasons for this has been good home refrigeration.

A modern refrigerator with freezer compartment allows you to use all the ready-prepared quick frozen foods. And with a freezer, you can prepare foods in quantity — quick freeze them — and use them any time.

AVOID WASTE AND SPOILAGE OF FOODS

How about food savings? Modern refrigerators have special compartments that "keep" fresh foods and special foods just right — food spoilage is cut to a minimum. And, of course, with a freezer, you just never need to have wasted "leftovers" — you simply freeze them under proper conditions to use at later meals.

Now, as to the money you save on food when you have both a home freezer and a modern refrigerator — the amount depends on how well you plan and use them.

Obviously, by taking advantage of "freezer specials" at your store, you buy at lower prices. Obviously, by quantity purchases of foods and by buying foods in season at low prices and freezing them — you buy at lower prices.

Home economists will tell you that by proper planning and use of your freezer and refrigerator, you can save 15% on the cost of food — and, more important, bring your family better, healthier, tastier meals.

TALK IT OVER WITH YOUR DEALER

Right now is the time to plan complete home refrigeration. First step is a modern refrigerator with a freezer compartment. Then, get a home freezer — the right size for your family.

Your dealer can show you how you can buy either or both on easy terms — terms that will fit your budget.

See him now — and let him show you how you can have complete home refrigeration — and serve better meals while you save time, food and money.

BUREAU OF HOME APPLIANCES OF SAN DIEGO COUNTY

THE TWO-STEP WAY TO COMPLETE HOME REFRIGERATION
FIRST - A NEW REFRIGERATOR WITH FREEZER COMPARTMENT
SECOND - A "RIGHT-SIZE" HOME FREEZER

Mary Booth Passes At 69

Mrs. Mary E. Booth, 69, passed away July 5 in the Paradise Valley Sanitarium.

She had resided at the residence of Mrs. R. Globensky, 7612 Church, in Lemon Grove.

She lived in San Francisco until three years ago when she came to Lemon Grove to be near her friends.

She was a recognized linguist and had traveled extensively. While visiting England, she was presented at St. James Court.

She is survived by a cousin, Mrs. Leo E. Metzner, of Oakland.

Plant Dichondra For Carefree Sundays

Plant Dichondra For Carefree Sundays

To have a lawn of lasting beauty with the rich greeness of eternal spring, the lushy springy touch of an imported carpet and the least amount of work believeable in connection with a good lawn, plant dichondra repens. Here is a glutton for abuse

DICHONDRA

that so thrives on good care there is a temptation to plant it over the entire yard area. Happily is lush growth is mostly horizontal, so cutting is only an occasional chore.

Dichondra is partial to loose sandy soil with generous amounts of humus incorporated into the top two inch layer. For proper growth it needs ample fertization plus generous and frequent watering. Weed control is important in the early stages of growth although dichondra will throttle out most weeds when well established.

For starting lawns, flats of field grown dichondra turf are this material into 1" pieces provides about 300-500 starts. These should be pressed into the ground on about 8" centers. Then the entire area should be moderately covered with peat moss, sawdust or well aged steer manure to conserve moisture and protect the young stalons that shoot out. Twice daily watering is recommended until clumps take hold.

Once established a dichondra lawn is a permanent fixture for years to come. Cutting is recommended when growth becomes untidy or stringygy untidy or stringy. In shade areas the leaves will be larger and the general growth will be looser and in such an area more generally available. Dividing frequent cutting is beneficial.

MOLOTOV'S STATUS IN DOUBT

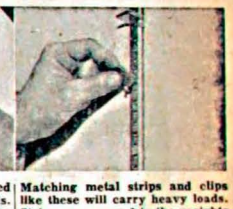
ONCE RATED likely successor to late dictator Josef Stalin, position of Foreign Minister V. M. Molotov (right), is uncertain as world speculates on ouster of Lavrenti P. Beria, head of Russia's secret police. Premier Georgi Malenkov is expected to move next against Molotov in bid for complete control. Picture of Molotov and Andrei Gromyko, then ambassador to United States, was made in San Francisco at United Nations meet. *(International)*

HOME modernizing

New Gadgets Make the Job Of Building Shelves Easy

A number of devices now on the market have made shelf-building easy. The four below were pictured in Home Modernizing magazine, along with the suggestion that a good grade of one-inch pine be used for the most satisfactory shelves.

Small metal clips with attached dowels are fine for light loads. Dowels fit into holes drilled in the uprights at the end of the shelves. Shelves rest on the clips.



Matching metal strips and clips like these will carry heavy loads. Strips are screwed to the uprights supporting the shelf and clips fit into them at any point.

This bracket is similar to the clips shown above, in that it fits anywhere on a metal strip. In this case, however, strips are screwed to wall or back of shelf unit. Only two are needed.

There are a number of brackets available for erecting single shelves. These are attached to the wall and the shelves rest on them, with no additional support being necessary.

Use REVIEW Want Ads FOR BEST RESULTS

KEEPING COOL IN THE KITCHEN is a neat trick on a summer day. There's a magic key to keeping cool as you cook. The key is to use easy-fix foods. Like SOUPS AND SANDWICHES.

Have your cupboard stocked with condensed soups. Might be tomato, chicken noodle, vegetable and cream of mushroom soups. Each is a wonderful main course for the meal.

Then reach to your shelf of sandwich fixings for the rest of the meal. Peanut butter, sliced cheese, cold sliced meats or canned meats. Bread, lettuce, butter or margarine.

Another happy, easy-fix twosome is hot soup and a cool refreshing salad. Soup goes so well with a big tuna salad or a combination salad of fresh fruits and cottage cheese.

When you prepare soup for summer meals, try new blends. Mix one canned soup with another and see what new taste enjoyment you'll discover. Here are some to try.

Hearty Vegetable-Noodle Soup

1 can (1¼ cups) condensed vegetable soup
1 can (1¼ cups) condensed beef noodle or chicken noodle soup
1½ soup cans water

Combine soups and water. Simmer about 5 minutes. Serve soup with a green salad and deviled eggs.

Quick Mushroom-Corn Chowder

2 bacon slices
½ cup chopped onion
1 can (1¼ cups) condensed cream of mushroom soup
1 soup can (1¼ cups) whole milk
1 cup cream style corn

Crisp bacon in saucepan, remove. Cook onions until soft in bacon drippings. Add remaining ingredients and simmer 5 minutes. Garnish soup with bacon bits. 4 servings. Serve this soup with ham-on-rye sandwiches.

Woman's Jrs. Plan Fall Calendar

A board meeting of the Lemon Grove Woman's Club Juniors was held Monday night at the home of the president, Mrs. James A. Martin.

The calendar for the coming club year was the main topic of discussion and from all indications it should prove to be a pleasant and worthwhile experience for all members. Of the various ways and means projects suggested, a Halloween platter party, rummage sale, fashion show and luncheon, and several excursions were decided upon.

Inasmuch as the Thanx organization requires assistance the year round, Lemon Grove Juniors are donating their time to this project throughout the summer months and plans are being completed for a group to visit Thanx headquarters Wednesday evening.

Trinity Church Notes

The Trinity Presbyterian Church Clippers will have a kids party at the home of Mr. and Mrs. Frank McCleary, 8465 Dallas St. Saturday at 7:30 p. m. All who come will dress as young sters. Information can be obtained from Bill and Jane Rau at H6-7936.

Plans for camp-out and activities are under way but an assistant scout master is urgently needed. Committee meetings are held on the first Tuesday of the month but a special meeting will be held July 21st.

Chamber Of Commerce Notes

By Mrs. H. Irving Vernier

The Chamber of Commerce at its last meeting July 7 voted to sponsor a meeting for a further hearing on the proposed freeway through Lemon Grove, thereby making the latest information available to interested local residents. The meeting will be held in San Miguel School auditorium July 31 at 7:30 p. m.

The Board also voted:

(1) to give $25.00 to Business in the Women's League to help establish Main Street planting along Main Street north of Broadway.

(2) to endorse the Traffic Safety Council and cooperate to aid its success.

(3) to plan Christmas decorations for the business area. Robert Browne is chairman.

(4) to sponsor a lemonade day once a month in the business district to serve lemonade to all passers-by. Roy Lane is chairman.

Directors present were Robert Gauldin, president; Max Goodin, Jack Ko; p. Roy Lane, James Pearce, Zelda Vernier, Wayne Johnson, Robert Browne, Clarence Mibrodt. Absent were Forrest Baxter, John Dail and Dr. Martin.

The next meeting of the directors of the Lemon Grove Chamber of Commerce will be on Tuesday, August 4 at 7:30 p. m. in the Chamber meeting room on Main Street. The public is invited.

Rev. Clare Replaces Rev. Anra Sunday

Rev. Curtis Clare, newly ordained minister of the Asbury Congregational Church will preach at the Lemon Grove Congregational at the 8 o'clock service next Sunday. His ability as a speaker is attested to by the fact that he was chosen as Commencement preacher in his class this year.

Dr. W. C. Rust, President of California Western University is one of the most sought after speakers in the San Diego area, and will preach at the 9:15 and 11:00 o'clock services.

Cloyed Explains On Freeway News Quotes

Ralph Cloyed and Ed Bulen assemblymen from this district last week were quoted in area newspapers as favoring an alternate route for the Lemon Grove freeway which indicated a route don't look far enough into the future and anticipate growth by following along Sweetwater Rd. Broadway placing the highways where property cutting across Broadway would best serve the community.

"And that, in effect, is the statement I gave to the people who I rode around the proposed re-alignment that is proposed by the Department of Public Works."

This is what Cloyed said about statement I gave to the people who I rode around the proposed re-alignment that is proposed by the Department of Review.

"The statement in the El Cajon Record was an excerpt of a statement that I had made at the trip over the road which is proposed in lieu of the road proposed by the Department of Public Works, Division of Highways.

"I made the statement that I thought the people of the community or the area affected should be the deciding factor in where the road should be placed. The proposed road, if agreeable to the people of the area and economically feasible, would be a good road.

"I often times think that the
